A temporary member of any such Committee may be appointed, using the same process required for regular appointments to a Committee, during the absence or inability to act of a regular member, and such temporary appointee shall have all the rights, power, authority, duties and obligations of the regular Committee member until the latter is again present and able to act.

Rule 5.9. Prohibition of Misstatements

No Person subject to the Company's jurisdiction shall make a misstatement of a material fact to the Company, including any Committee, Review Panel, Disciplinary Panel or Appeal Panel, or to the Regulatory Services Provider, or knowingly omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading.

Rule 5.10. Misuse of the Trading System

Misuse of the Trading System is strictly prohibited. No Person subject to the Company's jurisdiction shall (i) permit unauthorized use of the Trading System; (ii) assist any Person in obtaining unauthorized access to the Trading System; (iii) trade in any Swap on the Trading System without an agreement and an established account in good standing with a Clearing Firm; (iv) interfere with the operation of the Trading System; (v) intercept or interfere with information provided by or to the Trading System; or (vi) in any way use the Trading System in a manner contrary to the Rules.

Rule 5.11. Financial or Other Incentive Programs

The Company may from time to time establish programs that provide Participants with financial or other incentives for meeting trading volume, liquidity or other thresholds as may be established by the Company.

Rule 5.12. Withholding of Customer Orders Prohibited; Priority of Customer Orders

(a) Customer Orders (other than a Customer Order allowing discretion as to time and price) must be entered into the Trading System as soon as practicable and in the sequence in which they were received by a Participant, Authorized Trader or Authorized User, as applicable. A Participant, Authorized Trader or Authorized User that receives a Customer Order shall electronically record the time when such Customer Order was received.

(b) No Participant, Authorized Trader or Authorized User shall withhold or withdraw from the market any Customer Order, or any part of a Customer Order, for the benefit of any Person other than the Customer for whom the Participant, Authorized Trader or Authorized User is placing the Customer Order. No Participant, Authorized Trader or Authorized User shall knowingly enter an Order or submit a Request for Quote into the Trading System for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority

(other than an Order allowing discretion as to time and price) when such Participant, Authorized Trader or Authorized User is in possession of a Customer Order for the same Swap that can be but has not been submitted to the Trading System.

(c) Nothing in this Rule 512 shall limit the ability of an “eligible account manager” to bunch Orders in accordance with CFTC Regulation 1.35(b)(5).

Rule 5.13. Handling of Customer Orders

(a) Except as provided in paragraphs (b) and (c), no Person in possession of a Customer Order shall knowingly take, directly or indirectly, the opposite side of such Customer Order on the Trading System’s central limit order book for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority.

(b) A Person may knowingly trade on the Trading System’s central limit order book against a Customer Order for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority, if the Customer Order has been entered into the Trading System’s central limit order book as promptly as practicable after receipt of the Customer Order and has been exposed on the Trading System’s central limit order book for a minimum of fifteen (15) seconds.

(c) The provisions of this Rule 513 shall not apply to Permitted Transactions.

Rule 5.14. Disclosing Orders and Requests for Quotes Prohibited

(a) No Person subject to the Company’s jurisdiction shall disclose the terms of an Order, Request for Quote or Indication of Interest prior to its entry into the Trading System, except to a Company Official, the Regulatory Services Provider or a Government Agency, and no Person subject to the Company’s jurisdiction shall solicit or induce another Person to disclose such information.

(b) The foregoing shall not apply to pre-execution communications conducted in accordance with Rule 517(b), to Block Trades effected pursuant to Chapter 6, to statements of opinion, or to indications of the price at which a market may open or trade.

Rule 5.15. Simultaneous Buy and Sell Orders for Different Beneficial Owners

(a) Except as provided in paragraph (b) and (c), opposite Orders for different beneficial owners may not knowingly be simultaneously entered into the Trading System’s central limit order book by an Authorized User on behalf of a Participant or Authorized Trader with discretion over both accounts unless one Order is exposed for a minimum of fifteen (15) seconds.

(b) A Customer Order allowing for price and/or time discretion may be knowingly entered into the Trading System’s central limit order book opposite another Order entered by the same Person only if it is entered immediately upon receipt or exposed to the market for a minimum of fifteen (15) seconds.

(c) The Company may adjust the fifteen (15) second time delay required under this Rule for a given Swap, based upon such Swap's liquidity and other product-specific considerations if any such amended time delay provides Participants, Authorized Traders and Authorized Users sufficient time to have a meaningful opportunity to execute against such Order.

(d) The provisions of this Rule 5.15 shall not apply to Permitted Transactions or to transactions executed pursuant to Chapter 6.

Rule 5.16. Wash Sales Prohibited

No Person subject to the Company's jurisdiction shall buy and sell a Swap, place or accept buy and sell Orders in the same Swap, or knowingly execute or accommodate the execution of such Orders by direct or indirect means, if the Person knows or reasonably should know that the purpose of the transactions is to avoid taking a bona fide market position exposed to market risk. Buy and sell Orders for different accounts with common beneficial ownership that are entered with the intent to negate market risk or price competition shall also be deemed to violate this Rule.

Rule 5.17. "Moneypassing," Pre-arranged, Pre-Negotiated and Noncompetitive Transactions Prohibited

(a) No Person subject to the Company's jurisdiction may enter Orders or Requests for Quote the purpose of which is to enter into Swaps with a resulting profit to one account and a loss in the other account but no net change in the open positions in either account, commonly known as a "money pass."

(b) No Person subject to the Company's jurisdiction shall pre-arrange or pre-negotiate any purchase or sale or noncompetitively execute any transaction that is subject to the Rules. Notwithstanding the foregoing, Participants, Authorized Traders and Authorized Users may engage in pre-execution communications with regard to transactions executed or to be executed on the Trading System if one party (the first party) wishes to be assured that a contra party (the second party) will take the opposite side of the first party's Order, subject to the following restrictions:

(1) a party may not engage in pre-execution communications with other market participants on behalf of another party unless the party for whose benefit the trade is being made has previously agreed to permit such communications.

(2) parties to pre-execution communications shall not disclose to a non-party the details of such communications or enter an Order to take advantage of information conveyed during such communications except in accordance with this Rule.

(3) the first party's Order must be entered into the Trading System first, and the second party's Order may not be entered into the Trading System

until a period of fifteen (15) seconds has elapsed from the time of entry of the first Order.

(4) each such Order will be processed and matched separately and the Company does not guarantee that the first and second party's Orders will be matched with each other or that both Orders will be executed.

(c) The provisions of paragraph (b) shall not apply to Block Trades or Permitted Transactions.

Rule 5.18. Responsibility for Customer Orders

A Participant, Authorized Trader or Authorized User may not directly or indirectly guarantee the execution of a Customer Order or any of its terms such as the quantity or price and may only report an execution that has been effected through the Trading System or has been executed pursuant to Chapter 6. This Rule shall not be construed to prevent a Participant or Authorized Trader from assuming or sharing in the Losses resulting from an error or the mishandling of a Customer Order.

Rule 5.19. Discretionary Customer Orders

No Person shall submit a discretionary Customer Order to the Trading System without the prior written consent of such Customer to the exercise of such discretion. A Customer Order that solely gives a Participant, Authorized Trader or Authorized User time and price discretion shall not be subject to this Rule.

Rule 5.20. Recordkeeping; Audit Trail

(a) Each Person entering an Order into the Trading System or originating or responding to a Request for Quote shall include with such Order or Request for Quote such information as may be required by the Company, including, to the extent applicable, the legal entity identifier assigned to each party to a Swap and to each party for whom an Order is submitted or Request for Quote is originated or responded to. If a Participant, Authorized Trader or Authorized User receives a Customer Order that cannot be immediately entered into the Trading System or as to which the Participant, Authorized Trader or Authorized User has been given time and price discretion, the Participant, Authorized Trader or Authorized User shall create an electronic record that identifies the Customer from whom the Customer Order has been received, including an electronic timestamp reflecting the date and time (to the nearest second) of receipt.

(b) Participants that provide connectivity to the Trading System to Authorized Traders, Customers or other third parties are responsible for maintaining or causing such Authorized Traders, Customers or other third parties to maintain a routing/front-end audit trail for all Orders and Requests for Quotes, including entry, modification, cancellation and responses to such messages, entered into the Trading System through any gateway to the Trading System, including the times thereof to the highest level of precision achievable by the Participant's operating system, but at least to the nearest second ("Audit Trail"). Times that are so captured must not be capable of being modified.

(1) Participants shall maintain, or shall cause Authorized Traders, Customers and other third parties to whom they have provided connectivity to the Trading System to maintain, Audit Trail data in the form and manner required by CFTC Regulations and in accordance with such additional requirements as may be established by the Company. Participants must have the ability to produce such data, or cause such data to be produced, in a standard format upon request of the Market Regulation Department.

(2) A Participant whose Customer is itself a Participant may agree with such Customer that it is the Customer's obligation to maintain the Audit Trail for such Customer's Orders and Requests for Quotes. Any such agreement shall be in writing, a copy of which shall be provided to the Market Regulation Department.

(c) A suspense account may be used at the time of entry of an Order or Request for Quote provided that a contemporaneous electronic or written record of the Order or Request for Quote with the account designation is made, time-stamped and maintained in accordance with this Rule 520, and provided that the correct account designation is provided to the Clearing Firm prior to the end of the trading day. A suspense account may also be used at the time of entry for bunched Orders or Requests for Quote that are eligible for post-trade allocation and that are executed and allocated in accordance with CFTC Regulation 1.35(b)(5).

(d) A Person must include the customer type indicator ("CTI") code with each Order and Request for Quote. The CTI codes are as follows:

(1) CTI-1 Transactions initiated and executed by a Participant or Authorized Trader for its own account, for an account it Controls or for an account in which it has an ownership or financial interest.

(2) CTI-2 Transactions executed for the proprietary account (as such term is defined in CFTC Regulation 1.3(y)) of a Participant, Authorized Trader or Clearing Firm.

(3) CTI-3 Transactions in which a Participant, Authorized Trader or Authorized User is trading (i) for the personal account of another Participant, Authorized Trader or Authorized User; (ii) for an account that is controlled by such other Participant, Authorized Trader or Authorized User; or (iii) for an account in which such a Participant, Authorized Trader or Authorized User has an ownership or financial interest.

(4) CTI-4 Any transaction not within CTIs 1, 2 or 3.

Rule 5.21. Position Limits; Exemptions

(a) The Company may establish position limits for one or more Swaps, and grant exemptions from position limits, in accordance with CFTC Regulations. A Person

seeking an exemption from position limits must apply to the Market Regulation Department in the form and manner required by the Company.

(b) A Person intending to exceed position limits, including limits established pursuant to a previously approved exemption, must file the required application and receive approval from the Company prior to exceeding such limits. Notwithstanding the foregoing, a Person who establishes an exemption-eligible position in excess of position limits and files the required application with the Company shall not be in violation of this rule provided the filing occurs within one Business Day after assuming the position. In the event the positions in excess of the limits are not deemed to be exemption-eligible, the applicant will be in violation of speculative limits for the period of time in which the excess positions remained open.

(c) The Company shall, on the basis of the application and any requested supplemental information, determine whether an exemption from position limits shall be granted. The Company may approve, deny, condition or limit any exemption request based on factors deemed by the Company to be relevant, including, but not limited to, the applicant's business needs and financial status, as well as whether the positions can be established and liquidated in an orderly manner. A Person that has received an exemption from position limits pursuant to this Rule 521 shall be deemed to have agreed:

(1) to comply with all terms, conditions or limitations imposed by the Company with respect to the exemption;

(2) that the Company may modify or revoke the exemption at any time;

(3) to initiate and liquidate positions in an orderly manner; and

(4) to promptly submit a supplemental statement to the Company whenever there is a material change to the information provided in the most recent application.

(d) A Participant shall not be in violation of this Rule if it carries positions for its Customers in excess of the applicable position limits for such reasonable period of time as the firm may require to discover and liquidate the excess positions. For the purposes of this Rule, a reasonable period of time shall generally not exceed one Business Day. A Customer who exceeds the position limits as a result of maintaining positions at more than one Participant shall be deemed to have waived confidentiality regarding his positions and the identity of the Clearing Firm(s) at which they are maintained. A Participant carrying such positions shall not be in violation of this Rule if, upon notification by the Company, it liquidates its pro-rata share of the position in excess of the limits or otherwise ensures the Customer is in compliance with the limits within a reasonable period of time.

(e) Nothing in this Rule 521 shall in any way limit:

(1) the authority of the Company to take emergency action; or

(2) the authority of the Company to review at any time any position owned or controlled by any Person and to direct that such position be reduced to the applicable position limit.

(f) A Person who has received written authorization from the Company for an exemption from position limits must annually file an updated application on or before the date that is one year following the approval date of the most recent application. Failure to file an updated application shall result in expiration of the exemption.

(g) No Person shall exceed position limits that may be established by the Company or the CFTC, unless an exemption is granted by the Company. Any Person making a bid or offer that would, if accepted, cause such person to exceed the applicable position limits shall be in violation of this Rule.

Rule 5.22. Position Accountability

(a) The Company shall establish position accountability levels for Required Transactions unless the Company has previously established position limits pursuant to Rule 521. A Person who holds or controls aggregate positions in excess of position accountability levels shall:

(1) provide, in a timely manner upon request by the Company, information regarding the nature of the position, trading strategy, and hedging information, if applicable;

(2) be deemed to have consented, when so ordered by the Company, not to further increase the positions which exceed such position accountability levels; and

(3) initiate and/or liquidate such positions in an orderly manner.

(b) For purposes of this Rule 522, all positions in accounts for which a Person, by power of attorney or otherwise, directly or indirectly controls trading shall be included with the positions held by such Person. The provisions of this rule shall apply to positions held by two or more Persons acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by or the trading of the positions was controlled by a single Person.

Rule 5.23. Aggregation of Positions

For purposes of Rule 521 and Rule 522, positions in Swaps shall be aggregated in accordance with CFTC Regulations.

Rule 5.24. Operation of the Trading System

The following is a summary of the execution methods and credit and risk limit functionality available on the Trading System. It is not intended to provide a comprehensive description of the operation of the Trading System or the execution methods available thereon. Certain execution methods may not be available for certain Swaps (e.g., Swaps that are not cleared, Swaps in certain product types, etc.). Additional information with respect to the operation of the Trading System and the execution methods is provided in the applicable user guide and other specific information that the Company may make available to Participants, Authorized Traders and Authorized Users.

(a) *Central Limit Order Book (CLOB).* The Trading System's central limit order book functionality provides a system through which Participants may accept bids or offers made by other Participants that are open to multiple Participants, subject to any applicable credit and/or risk limits established for such transactions.

(b) *Request for Quote.* Under the RFQ functionality, a Person (the "Taker") may submit an RFQ to not less than the minimum number of market participants ("Makers") required under CFTC Regulations. For RFQ transactions that are Required Transactions, the following principles shall apply: (i) a Maker affiliated with a Taker will not count towards the minimum number of Makers required under CFTC Regulations; (ii) Makers that are Affiliates shall count only as a single Maker; (iii) at the same time that the Taker receives the first responsive bid or offer from a Maker, the Taker will also receive any firm bid or offer pertaining to the same Swap resting on the Trading System's central limit order book; (iv) the Taker shall have the opportunity to (x) execute against any responsive bid or offer from a Maker or a firm resting bid or offer provided pursuant to subparagraph (iii), or (y) submit a counteroffer to one or more of the Makers that have responded to the RFQ as long as such counteroffer is submitted to at least the minimum number of Makers required by CFTC Regulations.

(c) *Credit and Risk Limits.* The Trading System permits Participants, Authorized Traders and Clearing Firms to input and establish credit and/or risk limits on the Trading System. The Company may also require Participants, Authorized Traders and/or Clearing Firms to input and establish credit and/or risk limits on the Trading System. A Person establishing credit and/or risk limits on the Trading System shall be solely responsible for evaluating the creditworthiness of each Person for whom it establishes such limit and for ensuring that such Person is in compliance with any such limits. Each Participant, Authorized Trader or Authorized User shall be responsible for ensuring that it is in compliance with any such credit limits, however, and the Company shall not have any responsibility for compliance with credit limits by a Participant, Authorized Trader or Authorized User, notwithstanding that such credit limits may have

been input into the Trading System, or for monitoring, maintaining or enforcing any such credit limits.

Rule 5.25. Confirmation of Transactions

(a) The Company shall provide each counterparty to a Swap with a written record of all of the terms of the Swap which shall serve as a confirmation of the Swap. The economic terms that relate to a transaction agreed by Participants with respect to an uncleared Swap shall be reflected by the Company in a written communication (the "**Trade Communication**") sent to the applicable Participants promptly after the time such Swap is executed on the Trading System. The Trade Communication, together with the documents and agreements (including, without limitation, ISDA Master Agreements, other master agreements, terms supplements, master confirmation agreements, and incorporated industry definitions) governing such Swap existing at the time of such commitment to which the Participants are party (the "**Terms Incorporated by Reference**") shall, taken together, for purposes of CFTC Regulation 37.6(b) comprise all of the terms of such Swap and serve as a confirmation of such Swap (the Trade Communication and Terms Incorporated by Reference, together, the "**SEF Confirmation**").

(b) In satisfaction of the obligations imposed on the Company under CFTC Regulation 37.6(b), (i) each Trade Communication is deemed to incorporate the Terms Incorporated by Reference set forth in this Rule 525, and (ii) the Participants hereby agree that the provisions of Rule 525 shall govern any conflicting terms.

(c) In the event of any conflict between (x) the Trade Communication and (y) the Terms Incorporated by Reference, the Trade Communication shall prevail to the extent of any inconsistency

(d) A Swap that is effected as a Block Trade shall be confirmed by the Company when it is reported to the Company in accordance with Rule 601.

Rule 5.26. Trade Cancellations and Price Adjustments

(a) **Mandatory Cancellation.** If a transaction is submitted to, but not accepted for clearing by, a Derivatives Clearing Organization within the time set forth in the rules of such Derivatives Clearing Organization, such transaction shall be deemed to be void *ab initio* and neither the parties thereto nor the Company shall have any further responsibility for such transaction under these Rules.

(b) **Company Authority.**

(1) The Company has authority to adjust trade prices or cancel (bust) trades when such action is necessary to mitigate market-disrupting events caused by the improper or erroneous use of the Trading System or by a malfunction or other technical error in the Trading System.

(2) Notwithstanding any other provision of this Rule 528, the Company may adjust trade prices or bust any trade if the Company determines that allowing the trade to stand as executed may have a material, adverse effect on the integrity of the market.

(c) Review of Trades.

(1) The Company may determine to review a trade based on its independent analysis of market activity or upon request for review by a Participant. A request for review must be made within fifteen (15) minutes of the execution of the trade.

(2) The Company shall determine whether or not a trade will be subject to review. In the absence of a timely request for review, during volatile market conditions, upon the release of significant news, or in any other circumstance in which the Company deems it to be appropriate, the Company may determine, in its sole discretion, that a trade shall not be subject to review.

(3) Upon deciding to review a trade, the Company shall promptly issue an alert to all Participants via the Trading System or electronic mail indicating that the trade is under review.

(d) Price Adjustments and Trade Busts.

(1) *Company Review Procedures.* In reviewing a trade, the Company shall first determine whether the trade price is within the No-Bust Range set forth in paragraph (g).

(2) *Trade Price Inside the No-Bust Range.* If the Company determines that the price of the trade is inside the No-Bust Range, the Company shall issue an alert indicating that the trade shall stand.

(3) *Trade Price Outside the No-Bust Range.* If the Company determines that a trade price is outside the No-Bust Range, the trade shall be cancelled. The Company shall issue an notice regarding such cancellation.

(4) *Trade Cancellations.* Busted trade prices and any prices that have been adjusted shall be cancelled in the Company's official record of time and sales. Trades that are price-adjusted shall be inserted in the time and sales record at the adjusted trade price.

(e) Alternative Resolution by Agreement of Parties.

(1) With the approval of the Company, parties to a trade that is price – adjusted may instead mutually agree to cancel the trade.

(2) With the approval of the Company, parties to a trade that is busted may instead mutually agree to price-adjust the trade by cancelling the trade and reporting a new trade at the adjusted price.

(f) Schedule of Administrative Fees. When the Company busts or price-adjusts a trade, the Participant responsible for the Order or the RFQ that gave rise to the trade bust or price-adjustment shall pay an administrative fee to the Company in the amount of \$500 for each such occurrence.

(g) No-Bust Ranges. The price of a Swap shall be within the “no-bust range” if such price is not more than 10% higher or lower than the price of the last trade in such Swap or, if such Swap has not previously been traded on that Business Day, not more than 10% higher or lower than the prior Business Day’s settlement price for such Swap.

(h) Company Determinations Final. All determinations and decisions of the Company with respect to the foregoing matters shall be final.

(2) Spread trades may be executed as Block Trades, provided that the quantity of each leg of the spread meets the minimum quantity for each respective maturity.

(3) A Participant or Authorized Trader must receive instructions from a Customer or obtain the Customer's prior consent in writing before entering into a Block Trade with that Customer.

(4) A Block Trade may only be executed pursuant to the Rules and Company Requirements and reported to the Company if both counterparties to the trade are Participants, Authorized Traders or Customers of Participants or Authorized Traders.

(5) Both parties to a Block Trade executed in accordance with the provisions of this Chapter 6 shall report the Block Trade to the Company as soon as technologically practicable following the execution of such Block Trade, but not later than the time required under the Rules. Such report must include the information required by the Company.

(6) The Company shall transmit all required Block Trade data to a Swap Data Repository as soon as technologically practicable following receipt of such data by the Company.

Rule 6.2. Time-Stamp Requirements for Block Trades

(a) the record of each Block Trade maintained by Participants to the Block Trade pursuant to Rule 401(a)(8) shall include an electronic time-stamp reflecting the date and time of execution; and

(b) the Company shall time-stamp the transaction and pricing data with the date and time (to the nearest second) that the Company receives such data from the party

reporting the Block Trade and the date and time when the Company transmits such data to a Swap Data Repository.

The Company will maintain an enforcement staff that will prosecute violations in accordance with this Chapter 7. The enforcement staff shall not include Participants, Authorized Traders, Authorized Users or Persons whose interests conflict with their enforcement duties. Members of the enforcement staff shall not operate under the direct control of any person with Trading Privileges. Any reference to the Company in this Chapter 7 shall also be a reference to the enforcement staff.

(c) No Company Official, Director or Officer will interfere with or attempt to influence the process or resolution of any Disciplinary Proceeding, except to the extent provided under the Rules with respect to a Disciplinary Proceeding in which an Officer or Company Official is a member of the enforcement staff or a Director is a member of the relevant Disciplinary Panel or Appeal Panel.

(2) The Company may hold an Authorized Trader liable for, and impose sanctions against such Authorized Trader, for such Authorized Trader's own acts and omissions that constitute a violation of these Rules as well as or for the acts and omissions of (i) such Participant's Authorized Traders, Authorized Users, and Customers or (ii) a Person using the User ID of any of such Authorized Trader's Authorized Users in each case, that constitute a violation as if such violation were that of the Authorized Trader.

(4) The Company may hold a Customer liable for, and impose sanctions against such Customer, for such Customer's own acts and omissions that constitute a violation of these Rules, as well as for the acts and omissions of any agent or representative of such Customer that constitute a violation as if such violation were that of the Customer.

(h) Ex Parte Communications.

(1) A Person subject to a Disciplinary Proceeding (and any legal counsel or other representative of such Person) and the Market Regulation Department (and any legal counsel or other representative of the Market Regulation Department) shall not knowingly make or cause to be made an ex parte communication relevant to the merits of a Disciplinary Proceeding to any member of the Review Panel, Disciplinary Panel or the Appeal Panel hearing such proceeding or appeal, as applicable.

(2) Members of the Review Panel, Disciplinary Panel shall not knowingly make or cause to be made an ex parte communication relevant to the merits of a Disciplinary Proceeding to any Person subject to such proceeding, the Company or any legal counsel or other representative of such Person or the Company.

(3) Any Person who receives makes or learns of any communication that is prohibited by this Rule shall promptly give notice of such communication and any response thereto to the Company and all parties to the Disciplinary Proceeding to which the communication relates.

(4) A Person shall not be deemed to have violated this Rule if the Person refuses an attempted communication concerning the merits of a Disciplinary Proceeding as soon as it becomes apparent the communication concerns the merits.

Rule 7.2. Inquiries and Investigation

(a) The Company shall make such inquiries as it deems necessary or appropriate to monitor Participants' and other Persons' compliance with the Rules. The Company shall commence an investigation, as provided in paragraph (b), if it has reason to believe that the Rules have been or may be violated or upon the receipt of a request from the CFTC. Any member of the Market Regulation Department must promptly recuse himself or herself and notify the Chief Compliance Officer if such member has a material conflict of interest with respect to any potential respondent in an Investigation Report.

(b) Persons subject to the Company's jurisdiction shall assist the Company and the Regulatory Services Provider in any investigation into potential violations of the Rules and the Company or the Regulatory Services Provider may require a Participant or Authorized Trader to furnish such information concerning the such Person's business that is subject to the Rules and Company Requirements as the Company may deem necessary to enable the Company to perform its obligations under Applicable Law, including information relating to Swaps and related financial instruments, and information requested by a Government Agency, Self-Regulatory Organization, Derivatives Clearing Organization or service provider or licensor relating to the Company's business as a swap execution facility and/or the Company's compliance with Applicable Law. The Company or Regulatory Services Provider may require such Person to produce documents, to answer questions from the Company, and/or to appear in connection with an investigation.

(c) The Company will investigate apparent violations of the Rules of which it becomes aware. The Company will commence an investigation upon the receipt of a request from CFTC staff or upon the discovery or receipt of information by the Company that, in the judgment of the Company, indicates a reasonable basis for finding that a violation has occurred or will occur. The Company will determine the nature and scope of its inquiries and investigations in its sole discretion and will function independently of the commercial interests of the Company.

(d) The Company has the authority to:

- (1) initiate and conduct inquiries and investigations;
- (2) prepare Investigation Reports and make recommendations concerning initiating Disciplinary Proceedings; and
- (3) prosecute alleged violations within the Company's disciplinary jurisdiction.

(e) Each Person subject to the Company's jurisdiction is obligated to appear and testify and respond in writing to requests for information from the Company and to produce books, records, papers, documents or other tangible evidence in such Person's possession, custody or control within the time period required by the Company.

Rule 7.3. Reports of Investigations

(a) The Company will maintain a log of all investigations and their disposition. The Company will prepare a written report of each investigation (the “Investigation Report”), regardless of whether the evidence gathered during an investigation forms a reasonable basis to believe that a violation within the Company’s jurisdiction has occurred or is about to occur or whether the evidence gathered results in closing the matter without further action or through summary action.

(b) The Investigation Report shall include the reasons for initiating the investigation (including a summary of the complaint, if any), all relevant facts and evidence gathered, Company staff’s analysis and conclusions, and the recommendation of the Company. For each potential respondent, the Company will recommend either:

- (1) closing the investigation without further action;
- (2) resolving the investigation through an informal disposition, including the issuance of a warning letter. An informal disposition (including the issuance of a warning letter) shall not constitute a finding of a violation or a sanction;
- (3) summary action;
- (4) the preparation and service of a notice of charges for instituting a Disciplinary Proceeding; or
- (5) a negotiated settlement.

(c) The Investigation Report shall be provided to the Chief Compliance Officer for a determination as to whether the Investigation Report is complete.

(d) Each Company investigation shall be completed in a timely manner and, absent mitigating factors, no later than twelve (12) months after the date that an investigation is opened. Mitigating factors that may justify an investigation taking longer than twelve (12) months to complete include the complexity of the investigation, the number of potential wrongdoers, the number of potential violations to be investigated and the volume of documents and data to be examined and analyzed.

Rule 7.4. Opportunity to Respond

(a) After completing its Investigation Report, the Company shall, where applicable and with the authorization of the Review Panel, notify each potential respondent that the Company has recommended formal disciplinary charges against the potential respondent.

(b) The Company shall allow a potential respondent to submit a written statement explaining why a Disciplinary Proceeding should not be instituted and/or one

or more of the potential charges should not be brought. The potential respondent shall submit any written statement within the time limit established by the Company.

Rule 7.5. Review of Investigation Reports

(a) After the completion of the Investigation Report and the receipt of any submission made by the proposed respondent pursuant to Rule 704(b), the Chief Compliance Officer shall decide whether to refer the Investigation Report to the Market Regulation Department for further review or to establish a Review Panel pursuant to Rule 710. The Market Regulation Department or Review Panel, as appropriate, shall, within thirty (30) days, take one of the following actions:

(1) If the Market Regulation Department or Review Panel, as appropriate, determines that additional investigation or evidence is needed, it shall promptly direct the Company to conduct such further investigation;

(2) If the Market Regulation Department or Review Panel, as appropriate, determines that no reasonable basis exists for finding a violation or that prosecution is otherwise unwarranted, it shall direct that no further action be taken. Such determination shall be in writing, and shall include a written statement setting forth the facts and analysis supporting the decision; or

(3) If the Market Regulation Department or Review Panel, as appropriate, determines that a reasonable basis exists for finding a violation and adjudication is warranted, it shall direct that the Person alleged to have committed the violation be served with a notice of charges and proceed in accordance with this Chapter 7 or to be issued a warning letter meeting the requirements set forth in Rule ~~703~~714(b)(~~2~~1).

(b) A failure of the Market Regulation Department or Review Panel, as appropriate, to act within the time prescribed in paragraph (a) shall not prevent the Chief Compliance Officer from issuing a warning letter if he or she deems it appropriate to do so. The Chief Compliance Officer shall inform the Regulatory Oversight Committee of any such failure of the Market Regulation Department or Review Panel, as appropriate, to act.

Rule 7.6. Notice of Charges

(a) If the Market Regulation Department or Review Panel, as appropriate, authorizes Disciplinary Proceedings pursuant to Rule 705(a)(3), it will prepare, and serve in accordance with Rule 707, a notice of charges.

(b) A notice of charges shall:

(1) state the acts, practices or conduct in which the respondent is alleged to have engaged;

(2) state each specific Rule alleged to have been violated or about to be violated;

(3) advise the respondent of its right to a hearing;

(4) advise the respondent that it has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the disciplinary process (other than a Director, Officer or employee of the Company, any member of the Disciplinary Panel or any person substantially related to the Disciplinary Proceedings such as material witness or other respondent);

(5) state the period of time within which the respondent may file an answer to, and request a hearing on, the notice of charges which will, except for good cause, not be less than twenty (20) days after service of the notice of charges;

(6) advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and

(7) advise the respondent that any allegation in the notice of charges that is not expressly denied will be deemed to be admitted.

Rule 7.7. Service of Notice

Any notice of charges or other documents to be served pursuant to this Chapter 7 may be served upon the respondent, and service shall be deemed complete, upon: (i) deposit in the United States mail, postage prepaid, via registered or certified mail; (ii) delivery of the same to a recognized courier service, addressed to the respondent at the respondent's last known place of business or residence; or (iii) transmittal by electronic mail to the electronic mail address as it appears on the books and records of the Company, if followed by a hard copy of the document sent promptly thereafter by United States mail, postage prepaid, via registered or certified mail.

Rule 7.8. Answer to Notice of Charges

(a) If the respondent determines to answer a notice of charges, the respondent shall file its answer within twenty (20) days after being served with such notice, or within such other reasonable time period as may be determined by the Chief Compliance Officer.

(b) To answer a notice of charges, the respondent must in writing:

(1) specify the allegations that the respondent denies or admits;

(2) specify the allegations that the respondent does not have sufficient information to either deny or admit;

- (3) specify any specific facts that contradict the notice of charges;
- (4) specify any affirmative defenses to the notice of charges;
- (5) sign and serve the answer on the Chief Compliance Officer; and
- (6) if applicable, request a hearing before a Disciplinary Panel.

(c) Any failure by the respondent to timely serve an answer to a notice of charges will be deemed to be an admission to the allegations in such notice and a waiver of any right to a hearing before a Disciplinary Panel and to appeal any sanction that may be imposed. Any failure by the respondent to answer one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. Any allegation in a notice of charges that the respondent fails to expressly deny will be deemed to be admitted. A general denial by the respondent, without more, will not satisfy the requirements of paragraph (b).

(d) If a respondent admits or fails to specifically deny any of the allegations in the notice of charges, the Disciplinary Panel shall find that the violations set forth in such allegations have been committed and shall impose a sanction for such violations. The Disciplinary Panel shall promptly notify the respondent in writing of any sanction imposed pursuant to this Rule 708 and advise the respondent that the respondent may request, in writing, a hearing on such sanction within twenty (20) days of respondent being served with such notice. Any failure by the respondent to timely request a hearing with respect to a notice of sanctions will be deemed to be an acceptance of the sanctions in such notice and a waiver of any right to appeal such sanctions.

Rule 7.9. Settlements

(a) A respondent or potential respondent may at any time propose in writing an offer of settlement related to anticipated or instituted Disciplinary Proceedings. All offers of settlement shall be submitted to the Chief Compliance Officer.

(b) A respondent or potential respondent may offer to settle Disciplinary Proceedings without admitting or denying the findings contained in the order of the Disciplinary Proceedings but must accept the jurisdiction of the Company over it and over the subject matter of the proceedings, consent to the entry of the findings and sanctions imposed and waive its right to notice, opportunity for a hearing and any and all right to review and appeal under Applicable Law.

(c) If a respondent or potential respondent submits an offer of settlement in accordance with paragraph (a) above, the Chief Compliance Officer will forward the offer, together with his or her recommendation on whether to accept or reject the offer, to the Disciplinary Panel. The respondent or potential respondent may withdraw such offer of settlement at any time before acceptance by the Disciplinary Panel, but may not withdraw such offer at any time after acceptance by the Disciplinary Panel.

(d) The Disciplinary Panel may accept the offer of settlement, but may not alter the terms of a settlement offer unless the respondent or potential respondent agrees. If an offer of settlement is accepted by the Disciplinary Panel, it shall issue a written decision specifying:

(1) the Rule violations it has reason to believe were committed, including the basis or reasons for its conclusions;

(2) any sanction to be imposed, which must include full Customer restitution where Customer harm is demonstrated; and

(3) if applicable, that the respondent has accepted the sanctions imposed without either admitting or denying the Rule violations.

(e) In the event that the Disciplinary Panel accepts an offer of settlement without the agreement of the Company, the decision must adequately support such acceptance. Upon issuance of the written decision in accordance with paragraph (d), the respondent's submission of the offer will be deemed to constitute a waiver of any right to notice, the opportunity for a hearing and review and appeal under the Rules.

(f) If the offer of settlement of a respondent or potential respondent is not accepted by the Disciplinary Panel or for any other reason fails to become final, the matter will proceed as if the offer had not been made and the offer and all documents relating to it will not become part of the record. Neither a respondent or potential respondent nor the Company may use an unaccepted offer of settlement in any manner at a hearing of, or appeal from, Disciplinary Proceedings.

Rule 7.10. Review Panel; Disciplinary Panel

(a) A Review Panel, if established pursuant to Rule 705(a), is responsible for reviewing a completed Investigation Report and for determining whether a reasonable basis exists for finding a violation of the Rules and authorizing the issuance of a notice of charges. The Disciplinary Panel shall conduct hearings in connection with any Disciplinary Proceedings (except for summary impositions of fines pursuant to Rule 716), to make findings, render decision, and impose sanctions pursuant to this Chapter 7.

(b) ~~A~~Each Review Panel and Disciplinary Panel for a Disciplinary Proceeding (other than a Summary Proceeding) shall be composed of three (3) individuals who have been appointed by the Chief Compliance Officer including at least one (1) member who would meet the requirements of Rule 201(d)(1)-Rule 201(d)(5) (a "Public Member"). To the greatest extent practicable, the remaining two (2) members shall be from diverse industry participant groups so that no group or class of industry participants dominates or exercises a disproportionate influence on the Review Panel or Disciplinary Panel, as applicable. If required by CFTC rules, the chair of each Review Panel and Disciplinary Panel shall not be disqualified from serving as a Public Director. No employee of the Company or individual involved in adjudicating any other stage of the same proceeding may serve on a Review Panel or Disciplinary Panel, as applicable. Subject to paragraphs

(c) and (d), the appointment of a member of a Review Panel or the Disciplinary Panel will not expire until the relevant Disciplinary Proceedings are completed.

(c) If an individual selected is an Interested Person or if a member of the Panel later becomes an Interested Person, a replacement for such individual shall be selected by the Chief Compliance Officer. Except as may otherwise be provided in the Rules, the Board may at any time remove any member of a Panel for cause.

(d) Within ten (10) days of being notified of the appointment of the Panel, a respondent may seek to disqualify any individual named to the Panel for the reasons identified in Rule 206 by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Panel. The Chief Executive Officer will decide the merits of any request for disqualification within his or her sole discretion. Any such decision shall be final and not subject to appeal.

(e) All information, records, materials and documents provided to a Panel and all deliberations, testimony, information, records, materials and documents related thereto shall be treated as non-public and confidential and shall not be disclosed, except as necessary to further a Company investigation or as otherwise required by law. No individual shall serve on a Panel unless that individual has agreed in writing that he or she will not publish, divulge, or make known in any manner facts or information regarding the business of any Person or other information which may come to his or her attention in his or her official capacity as a member of the Panel, except when reporting to the Board or to a Committee concerned with such information or to the Company, when requested by the CFTC or other Government Agency, or when compelled to testify in any judicial or administrative proceeding.

Rule 7.11. Respondent's Review of Evidence

(a) Prior to the commencement of a hearing, each respondent will be given the opportunity, subject to paragraphs (b) and (c), to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of the Company that the Company will use to support the allegations and proposed sanctions in the notice of charges or which the chair of the HearingDisciplinary Panel otherwise deems relevant to the Disciplinary Proceedings. Unless determined otherwise by the chair of the HearingDisciplinary Panel, all such requests for access to information must be made not less than ten (10) days prior to the scheduled hearing date. Notwithstanding the foregoing, a respondent shall not have the right to review, and the Company shall have no obligation to disclose, information that (i) is protected by attorney-client privilege or attorney work product; (ii) was prepared by an employee of the Company but will not be offered in evidence in the Disciplinary Proceedings; (iii) may disclose a technique or guideline used in examinations, investigations or enforcement proceedings; or (iv) discloses the identity of a confidential source.

(b) The Company may redact, edit or code data and information before furnishing it to the respondent if books, records, documents, papers, transcripts of testimony or other tangible evidence that would otherwise be required to be provided to a respondent contain data or information that could adversely affect the competitive position of the Person providing such data or information or if such data or information might compromise other investigations being conducted by the Company. For purposes of this Rule 711, data and information that could adversely affect a Person's competitive position include positions in Swaps, trading strategies, the identity of any Participant, Authorized Trader or Authorized User and the finances of the Person providing the information. Notwithstanding the foregoing, the Company shall not redact, edit or code competitive or investigative data or information contained in documents in a manner that materially impairs the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges and shall provide the respondent with reasonable access to the information and portions of the documents that the Company intends to rely on to support the allegations or proposed sanctions in the notice of charges.

(c) The respondent shall treat as confidential all data and information provided to it pursuant to this Rule 711, and shall not disclose any such data or information, except as necessary to the respondent's defense of notice of charges and any appeal of the decision of the Disciplinary Panel.

Rule 7.12. Hearings

(a) All Disciplinary Proceedings (except for summary impositions of fines pursuant to Rule 716) will be conducted at a hearing before Disciplinary Panel, which will be convened promptly after reasonable notice to each respondent. Parties to a Disciplinary Proceeding shall include each respondent and the Company.

(b) At a hearing conducted in connection with any Disciplinary Proceeding, the Company will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. If a respondent has timely filed an answer to the notice of charges in accordance with Rule 708, the respondent shall be entitled to attend and participate in the hearing. All hearings will be conducted privately and confidentially.

(c) At a hearing conducted in connection with Disciplinary Proceedings, the Company and each respondent entitled to participate in such hearing may:

- (1) present evidence and facts determined relevant and admissible by the chair of the Disciplinary Panel;
- (2) call and examine witnesses; and
- (3) cross-examine witnesses called by other parties.

(d) If the respondent fails to file an answer, has filed a general denial, or if any or all of the allegations in the notice of charges are not expressly denied in the respondent's answer, the chair of the Disciplinary Panel may limit evidence concerning

any allegations not expressly denied in determining the sanctions to impose. If, in such a case, the respondent appears at the hearing, the respondent may not participate in the hearing with respect to such allegations that the respondent failed to properly deny (unless such hearing is a hearing conducted pursuant to Rule 708(d)) by calling or cross-examining witnesses, testifying in defense, presenting evidence concerning the notice of charges or otherwise, unless the respondent's failure to properly deny the allegations was solely the result of respondent's failure to timely file an answer and the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel shall adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 708.

(e) Any Person entitled, or required or called upon, to attend a hearing before a Disciplinary Panel pursuant to paragraph (c) above shall be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing. All Participants, Authorized Traders and Authorized Users who are called as witnesses are required to appear at the hearing and, where applicable, produce evidence. The Company shall make reasonable efforts to secure the presence of other Persons called as witnesses whose testimony would be relevant (as determined by the chair of the Disciplinary Panel). A Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert is made subject to appropriate confidentiality requirements.

(f) The Company will arrange for any hearing conducted in connection with Disciplinary Proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription. If the respondent requests a copy of all or portions of the record, the chair of the Disciplinary Panel may require the respondent to pay the costs of preparing such transcript.

(g) The chair of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing as he or she may deem appropriate. The chair of the Disciplinary Panel will determine all procedural and evidentiary matters, including the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chair of the Disciplinary Panel may be counseled by the Company's legal advisors and shall not be bound by evidentiary or procedural rules of law. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials.

(h) Except for procedural and evidentiary matters decided by the chair of the Disciplinary Panel pursuant to paragraph (g) and Rule 711, unless each respondent otherwise consents, the entire Disciplinary Panel must be present in person during the entire hearing and must be present, in person or by telephone, during any related deliberations.

(i) The Disciplinary Panel may summarily impose sanctions on any Participant, Authorized Trader or Authorized User who impedes or delays or substantially disrupts the progress of a hearing.

Rule 7.13. Decision of Disciplinary Panel

(a) As promptly as reasonable following a hearing, the Disciplinary Panel will issue a written order rendering its decision based on the weight of the evidence contained in the record of the Disciplinary Proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.

(b) The Company will provide a copy of the order of the Disciplinary Panel to the respondent and the Company. The order will include:

- (1) the notice of charges or summary of the allegations;
- (2) the answer, if any, or a summary of the answer filed by the respondent;
- (3) a brief summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the Investigation Report;
- (4) findings of fact and conclusions concerning each allegation, including a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each allegation;
- (5) each specific Rule that the respondent is found to have violated; and
- (6) the imposition of sanctions, if any, pursuant to Rule 714, including the basis for such sanctions and the effective date of each sanction.

(c) A Disciplinary Panel shall be dissolved automatically when it has decided the matter for which it was appointed and has notified the respondent and the Chief Compliance Officer in writing of its decision.

(d) Unless a timely notice of appeal is filed pursuant to Rule 715, the order of the Disciplinary Panel will become final upon the expiration of twenty (20) days after the order is served on the respondent and the Company.

Rule 7.14. Sanctions

(a) In the event that a respondent is found in accordance with this Chapter 7 to have violated or to have attempted to violate a Rule, or if sanctions are imposed pursuant to an accepted settlement offer, the Disciplinary Panel shall impose such sanctions as it deems appropriate, commensurate with the violations committed and sufficient to deter recidivism or similar violations by other Participants, Authorized Traders and Authorized Users. Any such sanctions shall take into account the respondent's disciplinary history (if any) and, in the event of demonstrated customer harm, shall include full customer restitution.

(b) The Company may impose one or more of the following sanctions or remedies:

(1) A warning letter, provided that no more than one (1) warning letter may be issued to the same respondent found to have committed the same rule violation within a rolling twelve (12) month period;

(2) censure;

(3) limitation, restriction or qualification of Trading Privileges, ability to otherwise access the Trading System, and/or other activities, functions or operations;

(4) suspension, for a period not to exceed twelve (12) months, of Trading Privileges and/or ability to otherwise access the Trading System;

(5) termination of Trading Privileges and/or ability to otherwise access the Trading System;

(6) expulsion;

(7) a fine;

(8) restitution or disgorgement; or

(9) any other sanction or remedy deemed to be appropriate.

(c) The Company may impose a fine of up to \$100,000 for each violation of a Rule. A Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any of its Authorized Traders or Authorized Users.

(d) A Disciplinary Panel may order a respondent to pay some or all of the costs associated with the Disciplinary Proceedings, including costs that the Disciplinary Panel believes were unnecessarily caused by the respondent. Costs may include costs associated with the inquiry or investigation, the prosecution by the Company or Regulatory Services Provider, legal and professional assistance, the conduct of the hearing, and administrative and other expenses incurred by the Disciplinary Panel.

Rule 7.15. Appeal From Disciplinary Panel Decisions and Summary Actions (Other Than Summary Impositions of Fines)

(a) In the event that a respondent is found, pursuant to Rule 713, to have violated or to have attempted to violate a Rule:

(1) such respondent may appeal the decision within twenty (20) days of receiving the order of the Disciplinary Panel by filing a written notice of appeal with the Chief Compliance Officer.

(2) the Market Regulation Department may appeal all or any part of a decision of the Disciplinary Panel, including any sanctions that may or may not have been imposed by the Disciplinary Panel, within twenty (20) days of receiving the order of the Disciplinary Panel by filing a notice of appeal with the Chief Compliance Officer; and/or

(3) the Appeal Panel may, on its own initiative, order a review of any aspect of a decision by the Disciplinary Panel within twenty (20) days of the order of the Disciplinary Panel by filing a notice of appeal with the Chief Compliance Officer.

(b) While an appeal is pending, the effect of the order of the Disciplinary Panel (including any sanctions, remedies or costs imposed thereby) shall be suspended, except with respect to any denial or limit on Trading Privileges or ability to otherwise access the Company's Trading System.

(c) The notice of appeal must state in writing the grounds for appeal, including the findings of fact, conclusions or sanctions to which the respondent objects. A respondent may appeal the order of the Disciplinary Panel on the grounds that:

(1) the order was arbitrary, capricious, an abuse of discretion or not in accordance with the Rules; or

(2) the order exceeded the authority or jurisdiction of the Disciplinary Panel, the Chief Compliance Officer or the Company.

(d) The Company will forward copies of any notice of appeal received by it to all parties to the hearing before the Disciplinary Panel except the appellant. On or before the twentieth (20th) day after filing a notice of appeal, the appellant must file with the Chief Compliance Officer and serve on all other parties a brief supporting the notice of appeal and documents supporting the brief. On or before the twentieth (20th) day after the date on which the appellant serves supporting brief, the appellee must file and serve its brief in opposition with the Company. On or before the tenth (10th) day after the date on which the appellee serves its brief in opposition, the appellant must file and serve a brief in reply with the Company.

(e) In connection with any appeal, the Company will furnish to the Chief Compliance Officer and to the respondent/appellant a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal and briefs filed to support and oppose the appeal.

(f) An Appeal Panel shall be composed of three (3) individuals that have been appointed by the Chief Compliance Officer, at least one (1) of whom shall be a Public Member. To the greatest extent practicable, the remaining two (2) members shall be from diverse industry participant groups so that no group or class of industry participants dominates or exercises a disproportionate influence on the Appeal Panel. If required by CFTC rules, the Appeal Panel chair shall not be disqualified from serving as a Public Director. No individual shall be selected to serve on the Appeal Panel for any

Disciplinary Proceeding if such individual ~~has served on the Disciplinary Panel for such Disciplinary Proceeding~~ is an employee of the Company or has been involved in adjudicating any other stage of the same proceeding.

(g) If an individual selected is an Interested Person or if a member of the Appeal Panel later becomes an Interested Person, a replacement for such individual shall be selected by the Chief Compliance Officer. Except as may be otherwise provided in the Rules, the Board may at any time remove any member of an Appeal Panel for cause.

(h) All information, records, materials and documents provided to the Appeal Panel and all deliberations, testimony, information, records, materials and documents related thereto shall be treated as non-public and confidential and shall not be disclosed, except as necessary to further a Company investigation or as otherwise agreed by law. No individual shall serve on an Appeal Panel unless that individual has agreed in writing that he or she will not publish, divulge, or make known in any manner facts or information regarding the business of any Person or other information which may come to his attention in his official capacity as a member of the Appeal Panel, except when reporting to the Board or to a Committee concerned with such information or to the Market Regulation Department, when requested by the CFTC or other Government Agency, or when compelled to testify in any judicial or administrative proceeding.

(i) Within ten (10) days of being notified of the appointment of the Appeal Panel, either party may seek to disqualify any individual named to the Appeal Panel for the reasons identified in Rule 206 by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the parties will be deemed to have waived any objection to the composition of an Appeal Panel. The Chair of the Regulatory Oversight Committee will decide the merits of any request for disqualification within his or her sole discretion. Any such decision shall be final and not subject to appeal.

(j) The Appeal Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Appeal Panel may appoint an expert to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeal Panel will not be bound by evidentiary or procedural rules or law.

(k) Except for procedural and evidentiary matters decided by the Appeal Panel pursuant to paragraph (j), unless such appellant otherwise consents, the entire Appeal Panel must be present in person during the entire appeal hearing and must be present, in person or by telephone, during any related deliberations.

(l) The Appeal Panel will only consider on appeal the record before the Disciplinary Panel, the notice of appeal, the briefs filed in support and opposition of the appeal, and any oral arguments of the parties. The Appeal Panel may only consider new evidence when the Appeal Panel determines that good cause exists as to why the evidence was not introduced during the disciplinary proceeding.

(m) After completing its review, the Appeal Panel may affirm, modify or reverse any order of the Disciplinary Panel under appeal, in whole or in part, including increasing, decreasing or eliminating any sanction or remedy imposed, imposing any other sanction or remedy authorized by the Rules, remanding the matter to the same or a different Disciplinary Panel for further disciplinary proceedings, or ordering a new hearing.

(n) As promptly as reasonably possible following its review, the Appeal Panel will issue a written decision based on the weight of the evidence before the Appeal Panel. The decision of the Appeal Panel shall meet the informational requirements of Rule 713(b).

(o) The Appeal Panel's written order will be the final action of the Company and will not be subject to appeal within the Company.

Rule 7.16. Summary Imposition of Fines

(a) The Chief Compliance Officer may summarily fine a Participant, Authorized Trader, Authorized User or Customer for failing to make timely and accurate submissions to the Company of notices, reports or other information required by the Rules or to keep books and records required by the Rules.

(b) The Company, acting on behalf of the Chief Compliance Officer, will give notice of any fine imposed pursuant to this Rule 716 to each Participant, Authorized Trader, Authorized User or Customer subject thereto. The notice will specify the violations of the Rules for which the fine is being imposed and the amount of the fine. The Participant, Authorized Trader, Authorized User or Customer as the case may be, shall pay or cause the payment of the fine within twenty (20) days of the date of notice.

(c) The Company shall establish, and from time to time revise, schedules of fines to be imposed pursuant to this Rule 716. Such schedules of fines shall provide for progressively larger fines for recurring violations, with the maximum fine not to exceed \$5,000. Summary imposition of fines pursuant to this Rule 716 will not preclude the Company from bringing any other action against the Participant, Authorized Trader, Authorized User or Customer, as the case may be.

(d) Appeals of the summary imposition of fines imposed pursuant to this Rule 716 shall be heard by the Appeal Panel. The appellant shall be advised of its right to a prompt hearing before the Appeal Panel and its right to be represented, at its own cost, by legal counsel or any other representative at such hearing. The appellant may present evidence in support of its appeal. The Appeal Panel's decision shall be final. The Appeal Panel shall not set aside, modify or amend the summary fines imposed unless the Appeal Panel determines by a majority vote that the decision to impose the fine was either:

(1) arbitrary, capricious, or an abuse of the Chief Compliance Officer's discretion; or

(2) in excess of the Chief Compliance Officer's authority or jurisdiction.

Rule 7.17. Summary Suspensions and Other Summary Actions

(a) Notwithstanding anything in the Rules to the contrary, the Chief Compliance Officer may, after consultation with the Regulatory Oversight Committee if practicable, summarily suspend, revoke, limit, condition, restrict or qualify a Participant's Trading Privileges and/or ability to otherwise access the Trading System, and may take other summary action against a Participant, Authorized Trader, Authorized User or Customer in accordance with the Rules (including any imposition of a fine under Rule 716) if the Chief Compliance Officer reasonably believes that immediate action is necessary to protect the best interests of the public or the Company.

(b) Where practicable, the Company shall provide prior written notice to the party against whom action in accordance with paragraph (a) is to be taken. If prior notice is not practicable, the Company will give notice at the earliest possible opportunity. Any such notice shall describe the action taken or to be taken by the Company, the reasons therefor, the effective date, time and duration thereof, and advise the recipient of the notice of its right to a prompt hearing before a Disciplinary Panel and its right to be represented by legal counsel or other representative at such hearing. A request by a Participant or other Person for such a hearing shall not delay the effectiveness of the summary action.

(c) At the request of the Company, a respondent against whom a summary action is brought pursuant to this Rule 717 shall provide books and records over which the respondent has access or Control and shall furnish information to, or appear or testify before, the Company and a Disciplinary Panel in connection with the enforcement of any Rule.

(d) If a hearing is requested pursuant to paragraph (b), the Disciplinary Panel will promptly convene a hearing to be conducted in accordance with Rule 712.

(e) As promptly as reasonably possible after the hearing, the Disciplinary Panel will issue to the respondent a written order based on the weight of the evidence affirming, modifying, or reversing the summary action. The order will include a description of the summary action taken, a summary of the evidence introduced at the hearing, a statement of findings of fact and conclusions, a description of any action taken or to be taken by the Company, and the effective date, time and duration thereof.

Rule 7.18. Rights and Responsibilities After Suspension or Termination

(a) With respect to a Participant, Authorized Trader or Authorized User whose Trading Privileges and/or ability to otherwise access the Trading System have been suspended, none of its rights (including the right to hold oneself out to the public as a Participant, Authorized Trader or Authorized User, enter Orders into the Trading System and originate or respond to Requests for Quotes) will apply during the period of the suspension, except for the right of the Participant, Authorized Trader or Authorized

User in question to assert a claim as provided in Chapter 8. Any such suspension will not relieve the Participant, Authorized Trader or Authorized User in question of its, his or her obligations under the Rules to perform any obligation incurred prior to the suspension, or for any Company fees, costs, or charges incurred during the suspension. The Company may discipline a suspended Participant, Authorized Trader or Authorized User under this Chapter 7 for any violation of a Rule committed by the Participant, Authorized Trader or Authorized User before, during or after the suspension.

(b) When a Participant's, Authorized Trader's or Authorized User's Trading Privileges and/or ability to otherwise access the Trading System are terminated, all of its, his or her related rights will terminate, except for the right of the Participant, Authorized Trader or Authorized User in question to assert a claim as provided in Chapter 8.

(c) A suspended or terminated Participant, Authorized Trader or Authorized User remains subject to the Rules and the jurisdiction of the Company for acts and omissions prior to the suspension or termination, and must cooperate in any Disciplinary Proceeding or appeal of Disciplinary Proceedings as if the suspended or terminated Participant, Authorized Trader or Authorized User still had Trading Privileges or ability to otherwise access the Trading System.

Rule 7.19. Notice of Disciplinary Proceedings

The Company will provide written notice of final decisions in Disciplinary Proceedings to the parties to the Disciplinary Proceeding consistent with applicable CFTC Regulations and the Rules. Whenever the Company suspends, expels, fines or otherwise disciplines or denies any Person access to the Company, the Company will make any public disclosures required by CFTC Regulations.

Rule 7.20. Regulatory Services Provider

(a) Any of the functions of the Company under Chapter 4 and Chapter 5 or this Chapter 7 may be performed by a Regulatory Services Provider pursuant to a delegation of such functions by the Company to such Regulatory Services Provider, and references to the Company shall in such circumstances be deemed to be references to such Regulatory Services Provider. The Company may provide information regarding any Participant, Authorized Trader or Authorized User to the Regulatory Services Provider in connection with the performance by the Regulatory Services Provider of those functions. A failure to comply with a request or direction from the Regulatory Services Provider shall be deemed to be a failure to comply with a request or direction from the Company.

(b) The Company shall retain exclusive authority over all substantive decisions made by the Regulatory Services Provider (including decisions involving the cancellation of trades, the issuance of disciplinary charges, suspensions or terminations of Trading Privileges and/or ability to otherwise access the Trading System) and will document instances where its actions differ in any material respect from those recommended by the Regulatory Services Provider.

(c) The Company shall retain ultimate decision-making authority with respect to any functions that are performed by a Regulatory Services Provider, including the reasons for the course of action recommended by the Regulatory Services Provider.

CHAPTER 8. ARBITRATION RULES

(b) Notwithstanding the foregoing, this Chapter 8 does not apply to disputes between Participants, Authorized Traders, Authorized Users, Customers and other Persons subject to the Company's jurisdiction that: (i) such Persons are required by the rules of a Self-Regulatory Organization to submit to the dispute resolution procedures of that Self-Regulatory Organization; or (ii) that such Persons have, by valid and binding agreement, committed to negotiate or litigate in a forum other than NFA.

(c) Notwithstanding the foregoing, this Chapter 8 does not require arbitration of claims alleging employment discrimination (including sexual harassment) in violation of Applicable Law.

Rule 8.2. Forum and Arbitration Rules

NFA will conduct arbitrations described in this Chapter 8 pursuant to NFA's Member Arbitration Rules, as if each party to such arbitration was an "NFA Member," and references in the Member Arbitration Rules to an "Associate" of an "NFA Member" shall mean and include an Authorized User.

Rule 8.3. Initiating an Arbitration Claim

(a) A Participant, Authorized Trader, Authorized User, Customer or other Person subject to the Company's jurisdiction may initiate an arbitration claim by submitting the required documents and fees to the NFA.

(b) A Participant, Authorized Trader, Authorized User, Customer or other Person submitting an arbitration claim shall provide written notice of such claim to the Company.

Rule 8.4. Claims Relating to Trade Cancellations or Price Adjustments

All claims relating to trade cancellations or price – adjustments pursuant to Rule 527 shall be arbitrated in accordance with this Chapter 8.

Rule 8.5. Penalties

(a) Any failure by a Participant, Authorized Trader or Authorized User subject to the Company's jurisdiction to arbitrate a dispute subject to this Chapter 8, or the commencement by such a Person of a suit in any court prior to arbitrating a case subject to this Chapter 8, shall constitute a violation of these Rules and shall subject such Participant to disciplinary proceedings pursuant to Chapter 7. A Participant, Authorized Trader or Authorized User that does not arbitrate a dispute through the NFA Arbitration Program as provided in Rule 801(b) or Rule 801(c) shall not be deemed to have violated these Rules.

(b) The Company may summarily suspend, pursuant to Rule 717, a Participant, Authorized Trader or Authorized User that fails to timely satisfy an arbitration award rendered in any arbitration conducted pursuant to this Chapter 8.

CHAPTER 9. MISCELLANEOUS

Rule 9.1. Legal Certainty

No Swap listed for trading on the Trading System shall be void, voidable, subject to rescission or otherwise invalidated or rendered unenforceable as a result of either: (1) any violation by the Company of any provision of the CEA or CFTC Regulations; or (2) any action taken by the CFTC that has the effect of amending, altering or supplementing the Rules or any of the terms or conditions of a Swap listed for trading on the Trading System.

Rule 9.2. Trading by Company Officials Prohibited; Misuse of Material, Non-Public Information

(a) No Company Official may trade, directly or indirectly any Swap or any commodity interest related thereto.

(b) No member of the Board, member of any Committee, Disciplinary Panel Member or Appeal Panel Member (each, a “Covered Person”) and no Company Official may trade, directly or indirectly any Swap, any Swap traded on another swap execution facility or other market, or any commodity interest related thereto where such Covered Person or Company has access to material non-public information concerning such Swap or commodity interest that was obtained as a result of the individual’s duties and responsibilities as a Covered Person or Company Official, as applicable. Participation by a Company Official in a retirement plan sponsored by the Company shall not be deemed to constitute trading directly or indirectly in a Swap or commodity interest, notwithstanding such plan’s trading of swaps or commodity interests.

(c) The Chief Compliance Officer (or, in the case of the Chief Compliance Officer, the Board) may grant exemptions from the provisions of paragraph (a) to Company Officials on a case-by-case basis under circumstances that are not contrary to the purposes of this Rule and CFTC Regulation 1.59. Such circumstances may include, but are not necessarily limited to:

(1) participation in pooled investment vehicles where such Company Official has no direct or indirect control over transactions effected by or for the account of the pool;

(2) service by such Company Official as an executor or administrator of an estate;

(3) service by such Company Official in any other fiduciary capacity, such as an officer of a charitable organization, in which such Company Official receives no pecuniary benefit from the trading of Swaps or other commodity interests; and

(4) such other circumstances as the Chief Compliance Officer (or, in the case of the Chief Compliance Officer, the Board) may determine.

(d) Any Company Official that has received an exemption under paragraph (c) must:

(1) furnish to the Company (or, in the case of the Chief Compliance Officer, to the Board) account statements and other documents relevant to the trading activities that are so exempted; and

(2) inform the Chief Compliance Officer (or, in the case of the Chief Compliance Officer, the Board) within one Business Day of any material change of information that may affect such Company Official's qualification for such exemption.

(e) Covered Persons and Company Officials are prohibited from using or disclosing for any purpose other than the performance of their official duties and responsibilities material non-public information obtained as a result of their employment, agency relationship or engagement with the Company where the Covered Person or Company Official expected or should have reasonably expected that the information disclosed may assist a Person in trading any Swap, any swap traded on another swap execution facility or other market, or any commodity interest related thereto. Notwithstanding the foregoing, Covered Persons and Company Officials may disclose material, non-public information if required by law or a court order.

(f) Terms used in this Rule 902 and not otherwise defined in the Rules shall have the meaning set forth in CFTC Regulations 1.3 and 1.59.

Rule 9.3. Proprietary Information; Use of Market Data

(a) By accessing the Company, each Participant, Authorized Trader, Authorized User, ISV, Customer or other Person subject to the Company's jurisdiction hereby acknowledges and agrees that the Company owns and shall retain all right, title and interest in and to the Trading System, all components thereof, including all related applications, all application programming interfaces, user interface designs, software and source code and any and all intellectual property rights therein, including all registered or unregistered, as applicable (a) copyright, (b) trade mark, (c) service mark, (d) trade secret, (e) trade name, (f) data or database rights, (g) design rights, (h) moral rights, (i) inventions, whether or not capable or protection by patent or registration, (j) rights in commercial information or technical information, including know-how, research and development data and manufacturing methods, (k) patent, and (l) other intellectual property and ownership rights, including applications for the grant of any of the same, in or to the Trading System and all other related proprietary rights of the Company and/or any of its Affiliates (together, with any and all enhancements, corrections, bug fixes, updates and other modifications to any of the foregoing and any and all data or information of any kind transmitted by means of any of the foregoing, including the Market Data, the "Proprietary Information"). Each Participant, Authorized Trader, Authorized User, ISV, Customer and other Person subject to the Company's jurisdiction further acknowledges and agrees that the Proprietary Information is the exclusive, valuable and confidential property of the Company. Each Participant, Authorized Trader,

Authorized User, ISV, Customer and other Person subject to the Company's jurisdiction acknowledges and agrees that it shall not and shall not permit other Persons affiliated it to, reverse engineer, copy, bug fix, correct, update, transfer, reproduce, republish, broadcast, create derivative works based on or otherwise modify, in any manner, all or any part of the Trading System or the Proprietary Information. Each Participant, Authorized Trader, Authorized User, ISV, Customer and other Person subject to the Company's jurisdiction further agrees to keep, and to cause each of its employees and agents to keep Proprietary Information confidential and not to transfer, lease, loan, sell or distribute, directly or indirectly, all or any portion of the Trading System or any Proprietary Information except as may be expressly permitted in writing by the Company or in accordance with Rule 904 as if references therein to the Company were references to any of the foregoing Persons.

(b) Notwithstanding any other provision of this Rule 903, each Participant and each Authorized Trader retains such rights as it may enjoy under Applicable Law with respect to Market Data solely in the form such Market Data was submitted to the Trading System by such Participant or Authorized Trader or their respective Authorized Users.

(c) Each Participant and each Authorized Trader hereby grants the Company a non-exclusive, perpetual, freely transferable, world-wide and royalty-free license to use, distribute, sub-license, disclose and sell Market Data, in any manner, media and jurisdiction, for the benefit of the Company and/or its Affiliates; provided that, except as may otherwise be permitted by Rule 904 or in any written agreement between the Company and such Participant or Authorized Trader, the Company shall not (i) for itself or its Affiliates, use such Market Data to compete directly with the Participant or Authorized Trader, or (ii) attribute such Market Data to the Participant or Authorized Trader or otherwise identify the Participant or Authorized Trader.

(d) Unless otherwise agreed in the Participant Agreement, each Participant hereby consents to the use for business or marketing purposes of proprietary data and personal information that is collected or received from or on behalf of such Participant, its Authorized Traders and its and their Authorized Users for the purpose of fulfilling the Company's regulatory obligations.

(e) Each Participant and Authorized Trader acknowledges and agrees that the Company may disclose and disseminate swap transaction and pricing data relating to trades executed on the Trading System or reported to the Company in accordance with Chapter 6 to other Persons with access to the Trading System; provided that such dissemination and disclosure is made no earlier than the Company's transmittal of such data to a Swap Data Repository.

Rule 9.4. Confidentiality

Except as provided in Rule 903, all non-public information provided to the Company by a Participant, Authorized Trader or Authorized User shall be held in confidence and shall not be made known to any other Person except as follows:

- (a) with the consent of the Participant, Authorized Trader or Authorized User providing such information;
- (b) to a Government Agency or the regulatory authority of any foreign jurisdiction, if the Company is requested or legally required to do so by such Government Agency;
- (c) pursuant to legal process;
- (d) to a Derivatives Clearing Organization of which such Participant is a member or in connection with the clearing of a Swap;
- (e) to a Swap Data Repository or other registered entity (as such term is defined in CFTC Regulations);

- (g) with respect to Market Data, in accordance with Rule 903(c);
- (h) pursuant to an information-sharing agreement or other arrangement or procedures in accordance with Rule 906; and
- (i) to the Board, any Committee, Company Officials, attorneys and auditors, and to agents and independent contractors that have been engaged by the Company who require such information in connection with the discharge of their duties to the Company; and
- (j) as otherwise expressly permitted under the Rules.

Rule 9.5. Recording of Communications

The Company and/or the Regulatory Services Provider may record conversations and retain copies of electronic communications between Company Officials and Participants, Authorized Traders, Authorized Users and Clearing Firms, and Participants, Authorized Traders, Authorized Users and Clearing Firms may record conversations and retain copies of electronic communications between them and Company Officials. Any such recordings made by the Company may be retained by the Company and/or the Regulatory Services Provider in such manner and for such periods of time as the Company may deem necessary or appropriate, including as may be required by Applicable Law, but the Company assumes no obligation to Participants, Authorized Traders, Authorized Users or Clearing Firms to retain any such recordings. The Company and/or the Regulatory Services Provider may disclose such recordings as required by Applicable Law or regulation or upon the request of any Government Agency. This Rule 905 shall be deemed to constitute the consent of each Participant, Authorized Trader, Authorized User and Clearing Firm to such recording and a waiver of any tone or other notice requirement in the State or country of such Person's residence, place of organization or place of business.

Rule 9.6. Information-Sharing Agreements

(a) The Company may enter into information-sharing agreements or other arrangements or procedures to coordinate surveillance with other markets and with clearing organizations on which Swaps and related financial instruments are traded or cleared. As part of any such information-sharing agreements or other arrangements or procedures adopted pursuant to this Rule, the Company may:

(1) provide market surveillance reports to other markets and to clearing organizations;

(2) share information and documents concerning current and former Participants, Authorized Traders and Authorized Users with other markets and clearing organizations;

(3) share information and documents concerning ongoing and completed Disciplinary Proceedings with other markets and clearing organizations; and/or

(4) require Participants and Authorized Traders to provide information and documents to the Company at the request of other markets or clearing organizations with which the Company has an information-sharing agreement or other arrangements or procedures.

(b) The Company may enter into any arrangement with any Person or body (including the NFA, any Self-Regulatory Organization, any exchange, market, clearing organization, or foreign regulatory authority, data repository or third-party reporting services) if the Company considers such arrangement to be in furtherance of the Company's purpose or duties under the Rules or any law or regulation.

Rule 9.7. Force Majeure

Notwithstanding any other provision of the Rules, any delay in or failure by the Company to perform its obligations under the Rules or any agreement with a Participant (including exhibits and schedules thereto) will not be considered a breach and will be excused to the extent that such delay or failure is caused by any event beyond the reasonable control of the Company, including, without limitation, acts of God, acts of civil or military authorities, strikes or other labor disputes, fire or other natural disasters, interruption in telecommunications, power outages, and governmental restrictions.

Rule 9.8. Extension or Waiver of Rules

The Company may, in its sole discretion, waive, or extend the time period for performing, any act or acts designated by the Rules, but only to the extent such waiver or extension is not inconsistent with the CEA or CFTC Regulations.

Rule 9.9. Effect of Amendment, Repeal or New Rule

The Company may, in compliance with the CEA and CFTC Regulations, amend or repeal any Rule and/or adopt new Rules. Any such amendment or repeal of a Rule or adoption of a new Rule, shall, upon the effective date of such amendment, repeal or adoption, as applicable, be binding on all Persons subject to the jurisdiction of the Company (regardless of when any such Person became subject to the Company's jurisdiction) and all Swaps (regardless of whether any such Swap was entered into before, on or after such effective date).

Rule 9.10. Signatures

Rather than rely on an original signature, the Company may elect to rely on a signature that is transmitted, recorded or stored by any electronic, optical, or similar means (including telecopy, imaging, photocopying, electronic mail, electronic data interchange, telegram or telex) as if it were (and the signature shall be considered and have the same effect as) a valid and binding original.

Rule 9.11. Governing Law; Legal Proceedings

(a) The Rules, and the rights and obligations of the Company, Participants, Authorized Traders and Authorized Users under the Rules, shall be governed by, and construed in accordance with, the laws of the state of New York applicable to contracts executed and performed wholly within the state of New York, without regard to any provisions of New York law that would apply the substantive law of a different jurisdiction.

(b) Subject to Rule 528, any action, suit or proceeding against the Company, its Officers, Directors, employees, agents, or any member of any Committee must be brought with in one (1) year from the time that a cause of action has accrued. Any such action, suit or proceeding shall be brought in the State or Federal courts located within Borough of Manhattan in the city of New York. Each Participant and Authorized Trader expressly consents, for itself and its Authorized Users, to the jurisdiction of any such court, waives any objection to venue therein, and waives any right it may have to a trial by jury.

(c) In the event that a Participant or an Authorized Trader who fails to prevail in a lawsuit or other legal proceeding instituted by such Participant or such Authorized Trader against (i) the Company or (ii) any Affiliate of the Company or any of their respective officers, directors, equity holders, employees, agents, or any member of any Committee, and related to the business of the Company, such Participant or Authorized Trader shall pay to the Company all reasonable expenses, including attorneys' fees, incurred by the Company in the defense of such proceeding. This paragraph (c) shall not apply to Company disciplinary actions, appeals thereof, or an instance in which the Board has granted a waiver of the provisions hereof.

Rule 9.12. Emergencies

(a) During an Emergency, the Board may implement temporary emergency procedures and rules (“Emergency Rules”), subject to applicable provisions of the CEA and CFTC Regulations. If the Chief Executive Officer determines that Emergency Rules must be implemented with respect to an Emergency before a meeting of the Board can reasonably be convened, the Chief Executive Officer shall have the authority, without Board action, to implement Emergency Rules with respect to such Emergency as he or she deems necessary or appropriate to respond to such Emergency. The Company also may take such other action as may be directed by the CFTC in response to an Emergency.

(b) Emergency Rules may require or authorize the Company, the Board, any Committee, the Chief Executive Officer or any other Officer to take actions necessary or appropriate to respond to the Emergency, including:

(1) suspending or curtailing trading or limiting trading to liquidation only (in whole or in part);

(2) extending, limiting or changing expiration dates or trading hours for one or more Swaps;

(3) ordering the liquidation or transfer of Swaps or the reduction of positions;

(4) temporarily modifying or suspending any provision of the Rules;

(5) requiring additional margin to be collected from Customers;

(6) imposing or modifying price limits, position limits or intraday market restrictions;

(7) in coordination with applicable Derivatives Clearing Organizations, transferring Customer Swaps and related margin and/or altering any Swap’s settlement terms or conditions; and/or

(8) providing for the carrying out of any actions under this Rule 912(b) by the Regulatory Services Provider.

(c) The Company will use reasonable efforts to notify the CFTC prior to implementing, modifying or terminating an Emergency Rule. If such prior notification is not practicable, the Company will notify the CFTC as soon as reasonably practicable, but in all circumstances within twenty-four (24) hours of the implementation, modification or termination of such Emergency Rule.

(d) Whenever the Company takes action to respond to an Emergency it will, where practicable, ensure that prompt notice is given to Participants.

(e) When the Company determines that the Emergency has been reduced sufficiently to allow the Company to resume normal functioning, any such actions will be modified or terminated, as appropriate.

(f) Upon taking any action in response to an Emergency, the Company shall document the decisions and deliberations related to such action. Such documentation will be maintained for at least five (5) years following the date on which the Emergency ceases to exist or to affect the Company, and all such documentation will be provided to the CFTC upon request.

CHAPTER 10. CLEARING

Rule 10.1. Clearing Firm Requirements

Except as otherwise provided in Rule 1004, a Clearing Firm that seeks to effect transactions on the Trading System for its own account or the account of any other Person must be a Participant.

Rule 10.2. Submission of Swaps to Derivatives Clearing Organization

Swaps executed on or through the Trading System that are required to be cleared under Section 2(h) of the CEA or that are voluntarily cleared by the counterparties to such Swap shall be cleared through a Derivatives Clearing Organization.

Rule 10.3. Clearing Firm Guarantee

(a) Each Participant that is not a Clearing Firm must obtain prior authorization from a Clearing Firm that will guarantee Participant's transactions in Swaps that are intended to be cleared, or enter into an appropriate arrangement with a Person that has such an authorization from a Clearing Firm. Each such guarantee or other arrangement must be in form and substance satisfactory to, and approved by, the Company. A Clearing Firm must guarantee and assume financial responsibility for all Swaps of each Participant guaranteed by it. Where such Participant utilizes the services of multiple Clearing Firms, a Clearing Firm shall only be responsible to the extent that it has been designed to clear a particular transaction.

(b) A Clearing Firm may at any time revoke any authorization granted and guarantee made by it to any Participant in accordance with paragraph (a) above, by providing written notice of such revocation to the Company. The guarantee will remain in effect until the non-Clearing Firm has liquidated or transferred all its Customer and proprietary positions and funds, as applicable, to another Clearing Firm.

Rule 10.4. Responsibility of Participants

Each Participant must assist its Clearing Firm and the Derivatives Clearing Organization in the clearing of its transactions in Swaps.

Rule 10.5. Liquidation of Positions by Clearing Firms

A Clearing Firm that is not also a Participant may trade an account on behalf of another Person solely for the purpose of liquidating Swaps carried by such Clearing Firm on behalf of a Person that has failed to perform its obligations to such Clearing Firm.

Rule 10.6. Rules of the Derivatives Clearing Organization

The clearing services provided by the Derivatives Clearing Organization with respect to any Swap, and the rights and obligations of purchasers and sellers under cleared Swaps (including rights and obligations in respect of clearing and settlement,

variation payments and performance at maturity), will be governed by the rules of the Derivatives Clearing Organization.
