8.1 Algorithmic Trading.

A Member who engages in algorithmic trading on the 360T MTF:

(a) has to comply with the organizational requirements for trading systems and trading algorithms as set out under MiFID II and any Delegated Legislation; including an established policy governing the use of the kill functionality; and

(b) has to comply with the resilience requirements for trading systems and trading algorithms as set out under MiFID II and any Delegated Legislation, including the establishment of clearly delineated methodologies to develop and test such algorithmic trading system, trading algorithm or algorithmic trading strategy.

360T will provide a testing environment specifically for the testing and development of algorithmic trading systems and trading algorithms or algorithmic trading strategies to support the Member's testing. 360T will facilitate Member's testing by simulating a number of conditions as accurately as possible in its testing environment, including disorderly market conditions.

8.2 Conformance Testing.

A Member must undertake conformance testing prior to the deployment or a substantial update of the Member's trading system, trading algorithm or trading strategy, including testing conducted by the Member to ensure that the basic functioning of the Member's trading system, algorithm and strategy complies with these Rules. Conformance testing shall, as a minimum, verify the functioning of the following:

(a) the ability of the Member's system or algorithm to interact as expected with the 360T MTF and the adequate processing of the data flows from and to the 360T MTF;

(b) the basic functionalities such as submission, modification or cancellation of an Order; and

(c) the connectivity, including the cancel on disconnect command, throttles, and the recovery, including the intra-day resumption of trading and the handling of suspended Instruments.

8.4 Identification of Algorithmic Orders and of Trading Algorithms

(a) Members are obliged to flag the Orders generated through algorithmic trading and to identify the trading algorithms used in each case.

(b) The flagging of the Orders generated and the identification of the algorithms used in each case must be comprehensible, definite and consistent. Trading algorithms must be identified by setting out the complete automated decision-making process by which the entry of Orders into the 360T MTF or the modification or deletion of such Orders was effected.

(c) 360T may issue further provisions on the structure and format of the flags and identifications.

9.2 Instruments.

360T will permit the trading of the following Instrument types on the 360T MTF:

- FX Forward;
- FX Swap;
- FX Options;
- NDF; and
- NDS.

360T may, at any time and in its sole discretion, add or delete Instruments.

9.3 Record Keeping.

For a period of five (5) years, 360T will maintain all information on Member's trading activities and records that are in its possession.

10 Suspending Trading

10.1 Prevention of Disorderly Trading Conditions.

The 360T MTF has arrangements in place to prevent disorderly trading and breaches of capacity limits. 360T reserves the right to cancel or revoke Orders or Transactions in case of malfunction of the 360T MTF's trading systems, or to take any other course of action, where 360T believes it necessary in order to preserve market orderliness.

10.2 Regulation.

Without prejudice to the foregoing, 360T may at its discretion suspend the entry of Orders in respect of Instruments at any time if it is required to do so by Applicable Laws or if requested to do so by a Governmental Authority or a CCP.

10.3 Material Disruptions.

Where there is Material Disruption in the Services, 360T may take such steps as it deems necessary to restore the proper operation of, and the orderly conduct of business on, the 360T MTF, including:

- (a) terminating or suspending the operation of the 360T MTF or of one or more of the Services in whole or in part;
- (b) suspending trading, or placing restrictions on trading certain Instruments;
- (c) cancelling some or all pending Orders;
- (d) cancelling some or all Transaction Notices sent to Members during the Material Disruption; and/or
- (e) determining any price adjustment to be made in respect of Transactions formed during the Material Disruption.

11 Orders

11.1 RfQ Trading Model.

(a) The 360T MTF operates an 'Request for Quote' trading model ("RfQ"); RfQ Trading Model, where 360T facilitates Transactions between Members who have a pre-existing underlying trading relationship for the purpose of executing Transactions with one another.

(b) On a Member initiating the RfQ by submitting a Request, the Member providing a Quote, has to submit the Quote within a timeframe specified by the 360T MTF. During this timeframe, the Members may continually update or otherwise withdraw their Request and Quote.

(c) No Transaction occurs unless and until the Member submitting the Request selects a Quote, the relevant Member providing a Quote confirms the Quote within a timeframe specified by the 360T MTF ("**Last Look**"), and the 360T MTF confirms that all relevant Transaction Information has been submitted together with the Member's confirmation of the Quote.

(d) Once a Transaction is concluded on the 360T MTF, Transaction Notices are sent to both Members.

(e) Upon the earlier of the execution of a Transaction and the expiration of the timeframe referenced above, the remaining Quotes are automatically withdrawn by the 360T MTF.

(f) The 360T MTF is conducted on a fully-disclosed basis, such that the Members disclose to each other who they are when transmitting Requests or Quotes or entering into Transactions with one another.

11.2 Minimum/Maximum Order Sizes. MidMatch Trading Model

(a) The 360T MTF operates a MidMatch Trading Model comprising of two methods of execution: (1) an indicative streaming published mid-rate against which Members can submit their interest to buy or sell at the prevailing rate at the point of match, and (2) the MidMatch Limit Order Book where a Member can post firm bids or offers.

(b) For this purpose, the Members should submit their interest, bids or offers to MidMatch.

(c) The 360T MTF is sending execution report messages to both Members. The Members are requested to acknowledge the status of the Transaction (“Execution Acknowledgement”).

(d) If no Execution Acknowledgement is received within the configured timeout, a notification email will be sent to the Members.

(e) 360T may suspend a Member if it generates a level of Transactions that are not acknowledged, where 360T believes it necessary in order to preserve market orderliness.

11.3 Minimum/Maximum Order Sizes

360T may, at its sole discretion, set minimum and/or maximum Order sizes, and any incremental sizes, for any Instrument.

11.4 Rejection.

360T may refuse to accept an Order or cancel or modify any Order entered into 360T MTF if it believes:

11.6 Access to Transaction Notices

(a) Members can access Transaction Notices via a variety of STP interfaces offered by 360T. For more information, contact projects@360t.com.

(b) Such Transaction Notices can also be accessed via the Deal Blotter on TEX. Any other trade information (such as information received via the ETI, 360T SEP MM API, 360T SEP MT API, [MidMatch API](#), and SEP Pop-up notification) is "Indicative".

(c) In case of any disputes between Members on the commercial content of any Transaction, the data on the 360T MTF will be considered final and binding.

11.7 Pre- and Post-trade Transparency

(a) To the extent and as long as BaFin grants a waiver to 360T for the pre-trade transparency obligations in accordance with the Article 9(1)(c) MiFIR, 360T MTF will not make public the current bid and/or offer prices or the depth of trading interests at those prices.

12 Clearing and Settlement.

In respect of Cleared Instruments on the 360T MTF:

(a) A Member must be a clearing member of a CCP or have made satisfactory arrangements with an entity that is a member.

(b) The CCP mutually selected by the respective Members shall administer the clearing and settlement of the Cleared Instruments.

(c) Each Member must comply with the rules and procedures of the relevant CCP in respect of the clearing and settlement of the Cleared Instruments. Where the rules and procedures of the CCP with respect to clearing and settlement conflict with this Rule 12, the rules and procedures of the relevant CCP shall take precedence.

(d) After the CCP has confirmed to 360T that the Transaction has been cleared, the 360T MTF will notify the Members involved in the Transaction.

(e) In respect of Transactions in Instruments that are not Cleared Instruments, the settlement of all executed Transactions shall take place directly between the Members in accordance with the terms of the Transaction and the bilateral agreements between the Members.

(f) If requested by 360T, a Member shall provide promptly (and, in any event, by the end of the Business Day following the day on which a request is made by 360T) any details relating to settlement of a Transaction.

(g) Except to the extent prohibited by Applicable Laws, each Member shall promptly notify 360T upon becoming aware of any inability by a Member to clear or settle an Instrument in accordance with the Rules, Applicable Laws or acceptable industry practice, such as a loss of access to a relevant settlement and/or clearing system.

1213 Transaction Cancellations and Price Adjustments

13.1 Authority.

(a) 360T has the authority to cancel (bust) Transactions or adjust Transaction prices in the following circumstances:

(i) if a Member involved in the relevant Transaction notifies 360T without undue delay that the Transaction was based on an entry in the 360T MTF that was entered by it or the other party to the Transaction inadvertently or incorrectly, and in accordance with the review procedure in Rule 13.2;

(ii) if 360T in its sole discretion determines that allowing the Transaction to stand as executed may have a material, adverse effect on the integrity of the market. 360T may consider any relevant information, including, but not limited to, the last trade price of the Instrument, a more recent price for a different maturity date, the price of the same or related Instrument established in another venue or another market and the market conditions at the time of the trade. Paragraphs (g) and (h) of Rule 13.2 shall apply mutatis mutandis.

(b) All determinations and decisions of 360T with respect to a cancellation of a Transaction or an adjustment of Transaction price shall be final.

13.2 Review of Transactions.

(a) 360T may determine to review a Transaction upon request by a Member involved in the relevant Transaction.

(b) 360T shall determine whether or not a Transaction will be subject to review. In the absence of a timely request for review, during volatile market conditions, upon the release of significant news, or in any other circumstance in which 360T deems it to be appropriate, 360T may determine, in its sole discretion, that a Transaction shall not be subject to review.

(c) Upon deciding to review a Transaction, 360T will promptly issue an alert to the affected Members indicating that the Transaction is under review.

(d) Once 360T has agreed to place a Transaction under review, the Member requesting to cancel or adjust the Transaction shall, where it has not done so already, confirm in writing to this effect. 360T shall then request the other Member

involved in the Transaction to confirm in writing its willingness to cancel or adjust the Transaction.

(e) Where the other Member involved in the Transaction confirms within one hour after 360T has alerted the affected Members of a review in writing its willingness to cancel or adjust the Transaction, 360T shall cancel or adjust the Transaction accordingly.

(f) Where the other Member involved in the Transaction does not confirm within one hour after 360T has alerted the affected Members of a review in writing its willingness to cancel or adjust the Transaction, 360T may in its sole discretion cancel or adjust the Transaction or shall issue an alert to all affected Members indicating that the Transaction shall stand. In making its decision, 360T may consider any relevant information, including, but not limited to, the information set out in paragraph (a) (ii) of Rule 13.1.

(g) Busted Transaction prices and any prices that have been adjusted shall be cancelled in 360T's official record of time and sales. Transaction that are price-adjusted shall be inserted in the time and sales record at the adjusted Transaction price.

(h) A decision by 360T to adjust Transaction prices or bust a Transaction will be made as soon as practicable, and 360T shall notify the affected Members and, if applicable, the CCP, of any such decision.

13.3 Alternative Resolution by Agreement of Members.

(a) Notwithstanding any other provision of this Rule 13, and subject to 360T's approval, the Members involved in a Transaction may mutually agree to cancel a Transaction.

(b) For any cancellation made pursuant to paragraph (a), the Members shall notify 360T of the request without undue delay. Upon 360T receiving notification from both Members, and approving the request, 360T shall notify the affected Members and, if applicable, the CCP, of any such decision.

1314 Monitoring and Reporting

14.1 Monitoring.

360T will monitor the trading activity conducted under these Rules with a view to identifying breaches of these Rules, disorderly trading and conduct that may amount to Market Abuse.

14.2 Cooperation with the Regulator

Subject to Applicable Laws, 360T may:

- (a) report to any Governmental Authority any material breaches of these Rules, disorderly trading conditions and conduct that may involve Market Abuse; and
- (b) assist any Governmental Authority in any investigation of disorderly trading conditions and conduct that may involve Market Abuse.

360T may disclose information and documents received from any Member in connection with its use of the Services to any Governmental Authority where such information and documents are required in connection with an investigation, inquiry or proceedings by such authority. If permitted by Applicable Laws, 360T shall give the affected Member at least seven (7) days' written notice of the intended disclosure. The Member shall co-operate with 360T and any Governmental Authority in any investigation or enquiry in relation to 360T.

14.3 Investigation.

360T may, at its own cost, initiate and carry out an investigation into any matter that may constitute a breach of these Rules. Any Member affected by such investigation must co-operate fully and in a timely manner with 360T in such investigation. On completing an investigation under this Rule 14, 360T take any measure in accordance with Rule 6.2 (Consequences of a breach).

1415 Suspension and Termination of Membership

15.1 Resignation from membership.

A Member may resign its membership by giving at least 30 days' written notice of resignation to 360T in accordance with Rule 4818 (Notices) and its membership ends on that date.

15.2 Conditions for Suspension and Termination by 360T.

- (a) an insolvency or and insolvency event in accordance with Section 17-19 of the German Insolvency Code (InsO), or any similar event in another jurisdiction, has occurred in relation to a Member;
- (b) a Member does not satisfy the Membership Criteria;
- (c) 360T reasonably believes that a Member has breached Rule 55 (Obligations of Members), Rule 66 (Code of Conduct) and/or Rule 77 (Access);
- (d) 360T believes it is in the best interests of the proper functioning of the 360T MTF to do so,

360T may suspend or terminate the Member's membership with immediate effect. Suspension is without prejudice to termination. Suspension may be for such period as 360T deems necessary.

15.3 Notice.

360T will notify a Member of a suspension or termination, and the grounds therefore in advance of the suspension or termination taking effect, unless it is impracticable or illegal to do so.

15.4 Effect of Suspension and Termination.

1819 Information

360T will publish all information which is necessary and appropriate for the use of the 360T MTF, taking into account the nature of the Members and the traded Instruments, on its website (<https://www.360t.com>).

1920 Amendments

360T may from time to time amend this Rulebook. Any amendments to this Rulebook will be notified to the Members by 360T via email and by publication of the amended Rulebook on the 360T's website (<http://www.360t.com>)-<https://www.360t.com>). Each such amendment shall be deemed to have been approved unless the respective Member objects thereto in writing. Together with the notification of an amendment, 360T shall expressly draw the Members' attention to this consequence. A Member must notify any such objection to 360T within six (6) weeks following the relevant notification of an amendment.
