360T – The Global FX Marketplace

360T is far more than an award-winning multi-bank, multi-asset trading platform for OTC financial instruments. As the Deutsche Börse Group's global FX unit, the company offers a full range of streamlined services across the entire trading workflow of FX and Short Term Money Market asset classes, adding real value to clients. Above and beyond optimizing execution, 360T allows clients to directly reduce their operational costs and risks in all parts of the trading life cycle while enhancing compliance and transparency at the same time – an increasingly crucial factor in business nowadays.

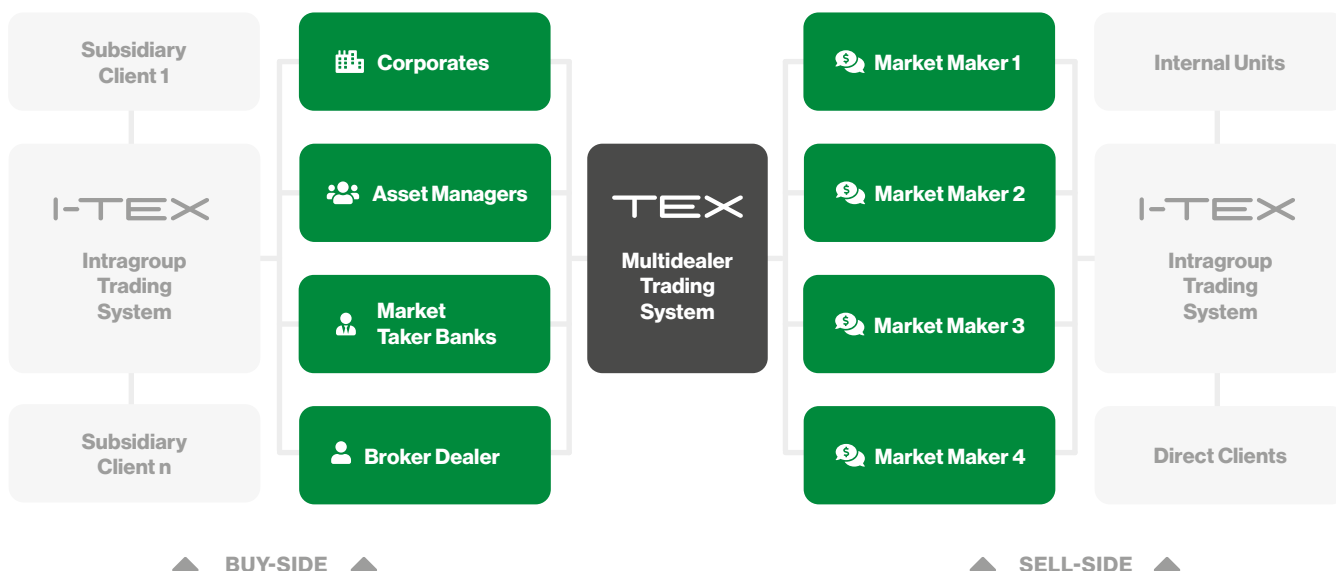

As an independent technology solution provider for the trading community, 360T is committed to providing functionality and development and is a strategic consultative partner in its clients' success.

With various trading systems and venues Regulated by the German Financial Supervisory Authority (BaFin), the US Commodity Futures Trading Commission, and others, the company provides clear and tangible values for the financial market. 360T serves the needs of Corporate Treasurers, Institutional asset Managers and Hedge Funds as well as commercial and private Banks by providing a link to broad liquidity from more than 200 Liquidity Providers – including large global players as well as regional and niche makers around the world.

360T's network is used by over 2,400 buy-side clients organizations worldwide, including global and regional Corporate Treasuries alongside several hundred commercial and private banks and major Asset Managers. White-label and in-house trading solutions provided by 360T have been adopted by major international companies to link request and transaction flow through a central trading desk. 360T has a global presence with customers in more than 75 countries and offices in Europe, America, Asia Pacific, India and the Middle East.
